A Word from the Editor

I should like to take this opportunity to thank all those who in any way helped to make this publication possible. Thanks go especially to the Dutch Inn, Paradise Lanes, and to the Henderson County Public Library for allowing Superlative pictures to be made in their establishments.

The "Whispering Pines" staff deserves much credit because without their willingness to help, their co-operation, and their ability to comprehend a completely incomprehensible co-worker, none of our yearbook would be here.

A word of thanks goes also to Judy Garren and Hope Swayngim who were willing to assist when needed and to Shelia Andrews and Charlotte Laughter for their help in typing, and generally helping to tie up loose ends.

I sincerely hope that "Whispering Pines 1967" is a credit to our school and to the teachers and students of Edneyville High School.

Thank you,

Alice Neal
